

INTERNATIONAL RATE SOLICITATION I-13

SUPPLEMENT 4

(Effective June 1, 2003 through September 30, 2003)

SDDC has received additional information from APL stating service from CONUS to Hakata was discontinued on June 2, 2003. Therefore, carriers are authorized to bill the difference in linehaul transportation (Item 530) between Hakata to Yokohama for shipments picked up, or sailed from CONUS between June 1, 2003 and September 30, 2003. The effective date for shipments out of Hakata remains June 19, 2003.

Billings to DFAS: These additional charges will have to be shown separately on the carrier's invoice. When submitting billing by EDI, carriers must use EDI code (TPS), and describe "Supplement 4 – Line Haul charges from Hakata and Yokohama." Carriers must maintain back up documentation when submitting billing by EDI.
