

DPPRS - 7 (DW01)

SUMMARY OF CHANGES

(EFFECTIVE 1 NOV 01 THRU 30 APR 02)

1. GENERAL

The new Domestic Personal Property Rate Solicitation, D-7, becomes effective November 1, 2001, with the Domestic Winter (DW01) rate cycle. A complete review of the rate solicitation is suggested to ensure familiarity with its terms and conditions. **The initial rate filing deadline is May 30, 2001, for both the Interstate and Intrastate programs.** Carriers may obtain the new rate solicitation and the rate filing schedules on the World Wide Web at <http://www.mtmc.army.mil>.

2. TABLE OF CONTENTS

Pages i – vi: Updated.

3. CHAPTER I - POLICY

a. Item 112: Sources of Assistance

Page 1-6: Changed telephone number for Domestic Volume Moves. The new point of contact is Mary Beth Varner.

4. CHAPTER II - REQUIREMENTS

a. Item 202: Description of New York City, New York Area

Page 2-3: Item deleted from Chapter II and moved to Chapter IV, paragraph 10 and replaced with new item.

b. Item 202 (new): Administrative Requirements

Page 2-3: Added requirement for carriers to provide a toll-free number for customer inquiries and problem resolution. Carriers are reminded that any costs associated with this requirement shall be included as part of the carrier's proposed rates.

5. **CHAPTER IV - SCHEDULE OF RATES & CHARGES**

a. **Item 400: Geographic Application of Rates and Schedules**

Page 4-8: CALIFORNIA. Deleted Beale AFB (LIFL) as a PPSO and replaced with Travis AFB (LDLFL). Beale AFB is downgraded to a PPPO while Travis AFB is elevated to a PPSO and takes over the area of responsibility previously handled by Beale AFB. Rates and schedules remain the same.

Page 4-17: MARYLAND. Increased rates and certain schedules for NAS Patuxent River (BCNV).

Page 4-26: OREGON. Transferred counties (Curry, Jackson, Josephine, & Klamath) previously handled by Beale AFB, CA (LIFL) to JPPSO-Lewis, WA (JEAT).

b. **Item 412: Loading and Unloading Charges - Bulky Articles**

Page 4-46: Added a note clarifying that items/articles under “Disc/Dish Outside Diameter” which are capable of being hand-carried and/or transported in standard cartons are excluded from the bulky article charge.

Page 4-46: Clarified existing note regarding items authorized by the PPSO as a bulky article but are not included in the rate solicitation.

6. **CHAPTER V - VOLUME MOVES**

Item 502a(2): Procedures. Added sentence in the beginning regarding the solicitation of volume move rate tenders from DOD-approved household goods carriers via the MTMC homepage.

7. **CHAPTER VII - INTRASTATE RATE FILING INSTRUCTIONS**

Rearranged Appendices D thru F and Figures 8 thru 10. Changed applicable references to these appendices and figures throughout the chapter.

8. **CHAPTER IX - ADDITIONAL INFORMATION**

a. **Item 900: Listing of Domestic PPSOs and GBLOCs**

Page 9-1 through 9-3: Updated.
