INTERNATIONAL PERSONAL PROPERTY RATE SOLICITATION I-14

Item 320

***Shipment Routings***

a. Codes 4, 6, 7, and 8 shipments moving between CONUS and overseas rate areas will be open routing; however, carriers are required to meet DOD performance standards irrespective of routing actually used. In this respect, carriers are cautioned to avoid routings through ports which historically become congested during peak shipping months with the resultant frustration of DOD shipments. Shipments (Codes 5 and T) entering the Defense Transportation Service (DTS) will be routed as indicated on TCMD.

b. Code 3 ocean routings will be via designated West Coast ports.

Item 321

***Pickup Requirements***

Carriers will be provided at least 5 working days advance notice when tendered shipments. The carrier and PPSO will agree to a pickup date. Under unusual circumstances, carriers may agree, but are not obligated, to accept pickups on less than 5 working days notice. Carriers agree that once shipments are accepted with less notice, the carrier is obligated to the agreed pickup date.

Item 322

***Reporting Requirements***

Within, but not more than, 10 calendar days following date of pickup of a shipment, the origin agent will provide the following information when requested by the PPSO:

- a. Estimated date the shipment will be picked up by linehaul equipment for movement to the ocean or aerial port.
- b. Estimated date of sailing and identity of port and vessel (Code 4).
- c. Routing of vessel and discharge port (Code 4).
- d. Estimated date of arrival at destination (Code 4).

Item 323

***RDD Requirements***

Traffic management procedures of the carrier should be geared to provide 100 percent of deliveries on time. Failure to achieve an acceptable level of on-time deliveries into any rate area may be cause for disqualification from the ITGBL program into the rate area. Disqualification may extend into subsequent rate cycles.

Item 324

***Delivery to Storage In Government Facilities***

Shipment delivered to nontemporary storage in Government facilities will be terminated. Such Government facilities will be considered the final delivery point for the shipment.

Item 325

***Carrier Agent/Port Agent Facilities***

a. Carriers participating in the ITGBL program must guarantee SDDC free access to agent/port agent's facilities during normal working hours. This must be reduced to a written binding agreement
