

INTERNATIONAL PERSONAL PROPERTY RATE SOLICITATION I-14

CHAPTER X - SPECIAL SOLICITATION

Item 1000

Standards

a. Carrier will abide by provisions of the Tender of Service and the International Personal Property Rate Solicitation. Special Solicitation shipments are considered international shipments and are subject to the rules, regulations, and provisions of this solicitation. Accessorial services will be governed by rates and charges contained in this solicitation. Carriers failing to meet service standards may be removed from participation.

b. **Rates will be reviewed for consistency with other rates submitted for the same rate area as well as adjacent rate areas. Suspect rates will be reviewed by HQMTMC on a case-by-case basis. Carriers may be required to provide the rate construction breakdown of the suspect rate(s), in accordance with Item 326.** If the rate(s) is deemed to be noncompensatory, it will be rejected without further opportunity for the carrier to correct or refile rates. As rates are awarded based on an aggregate total for each rate area, removal of a rate(s) will be cause for rejection of all rates to and/or from the affected rate area.

c. Special solicitation rates filed for Canada may not exceed 250 percent of the baseline rate. Rates received in excess of 250 percent will be rejected

Tender Submissions

- b. Submission of Special Solicitation rates must be accomplished in accordance with the tender provided in Appendix W. Reproduction of blank tender is authorized. Failure to comply with instructions contained in the applicable appendices and submit the tender by the I/F deadline will render the carrier's rate submissions nonresponsive. Carriers must retain separate tenders for each code of service in corporate office files.
- c. When requested, tenders must be addressed to the Commander, HQMTMC, ATTN: **MTTP-PP-R**, Hoffman Building II, 200 Stovall Street, Alexandria, VA 22332-5000. Two copies of the uniform tenders must be furnished, two of which must be handsigned by an official with a signature on file with HQMTMC.
- d. When carriers submits automated rate filing, the carrier is offering its rates for transportation services to the United States Government for the indicated rate cycle under the International Rate Solicitation. The carrier certifies that it understands and has complied with the previously executed certification of independent pricing and International Uniform Tender of Rates and/or Charges for transportation services as shown in Appendix W of the International Rate Solicitation. The carrier will maintain a copy of its Uniform Tender of Rates and/or Charges for Transportation Services, which will remain on file at the corporate office cross-referenced by the carrier SCAC. The carrier agrees to provide a copy of the Uniform tender for a respective rate channel, when requested by HQMTMC/GSA or any other federal agents. INTERNATIONAL PERSONAL PROPERTY RATE SOLICITATION I-14

Item 1005

Awards

a. HQMTMC, **MTPP-PP-R**, will evaluate rates based on the total aggregate price of services to and/or from Special Solicitation rate areas. MTMC will randomly select ten CONUS rate areas that will be disregarded for the purpose of determining the low rate carrier for each special solicitation area. For areas where rates are only solicited for one direction (i.e., Thailand to CONUS), the carrier submitting the lowest overall rate for that area will be awarded the traffic. For areas where rates are solicited for both directions (i.e., to/from CONUS and Greece), rates will be awarded based on the total aggregate of the rates submitted for both directions for each specified code of service.

b. The controlling PPSO will offer all tonnage to the carrier ranked first (primary). In the event prior commitments prevent the primary carrier from accepting tonnage, the carrier ranked second will be offered the tonnage.

c. Refusals to handle shipments will be handled in accordance with the Tender of Service and DOD 4500.9-R, DTR.

d. Carriers with first, second, or third place ranking are required to submit to HQMTMC, at the end of the rate cycle, the total number of shipments, total weight of shipments, and the origin and destination of shipments moved during that cycle.

Item 1006

Agents

The name and point of contact of your agent in overseas areas must accompany all tender submissions. Failure to submit the agent listing may cause your tender to be returned as nonresponsive.

Item 1007

Cancellation

Carriers may cancel tenders by submission of a supplemental tender in accordance with cancellation dates for corresponding cycle. PPSOs will be notified.

Item 1008

Participation

Participation in these solicitations is strictly voluntary.
