

## DOMESTIC PERSONAL PROPERTY RATE SOLICITATION D-9

**CHAPTER V - VOLUME MOVES**

Item 500.

**PURPOSE**

These instructions provide procedures, formats, and other information required to properly file voluntary IRTs on behalf of Transportation Service Providers engaging in the movement of DOD and USCG-sponsored volume movements within CONUS and Alaska. These instructions supersede all previously published procedures, formats, and other information for IRT filings applicable to domestic volume movement shipments.

Item 501.

**CRITERIA FOR USE OF VOLUME MOVE RATES**

a. Volume move procedures will apply under the following conditions:

(1) Estimated tonnage consisting of household goods totaling 200,000 pounds or more. PPSOs having special operational requirements may request a volume move for lesser tonnage.

(2) Movement is from one origin (commuting area) to one destination (commuting area).

(3) Movement is normally within a 90-day period.

**NOTE:** Due to the large number of volume moves anticipated because of base closures, realignments, drawdowns, etc., this headquarters reserves the right to waive the normal 90-day period for volume moves, if circumstances warrant.

Item 502.

**PROCEDURES**

a. The following procedures are applicable to domestic volume movements:

(1) When the above criteria for use exists, the responsible PPSO is required to submit a letter or message request to SDDC providing appropriate information. PPSOs having special operational requirements must include the information in letter or message request.

(2) SDDC will, in turn, request a volume move rate tender from DOD-approved household goods Transportation Service Providers via the SDDC homepage ([www.SDDC.army.mil](http://www.SDDC.army.mil)). Only Transportation Service Providers that have valid LOIs on file at the origin installation with the authority to serve the destination state may submit bids. The deadline date for receipt of the rate tender or simplified tender format at SDDC will be specified in the volume movement solicitation announcement letter (Appendix 5A). Appendix 5B to these procedures is the simplified tender format which Transportation Service Providers will use to submit their rates. Transportation Service Providers will be required to submit proper and complete information for bids to be considered responsive.

(3) Transportation Service Providers that choose to submit their rate using the volume move tender (Appendix 5C), may do so as required herein and in Appendix 5D. Facsimile rates must be error-free, cannot be withdrawn, or corrected subsequent to the deadline, and must be received in Room 10N35 prior to the deadline. **Facsimile rates received after the deadline will be considered nonresponsive and will not be accepted.**

**DOMESTIC PERSONAL PROPERTY RATE SOLICITATION D-9**

(4) The rate will be expressed as a percentage "OF" the Domestic Personal Property Rate Solicitation. For example, if a Transportation Service Provider wishes to offer a 10% reduction, the rate submitted would be 90%. Only one percentage will be shown to cover a reduction in total cost for each shipment of this volume movement. The percentage is to reflect reduction in line haul, packing, accessorial services, and any other services relevant to shipments of this volume movement, excluding full replacement protection, pickup or delivery transportation rates applying on SIT shipments at destination, any accessorial services performed in connection with destination SIT, and third party services. **In offering shipments to Transportation Service Providers, PPSOs shall consolidate shipments whenever practical in accordance with DOD 4500.9-R.**

(5) Rates submitted for volume moves will take exception to Items 610 and 713 (Duality) in that two rates of a Transportation Service Provider will be permitted to be filed with SDDC for the account of DOD/USCG from and to the same points. Transportation Service Providers must submit rates below the low rate on file for the channel(s) specified in the volume move. **NOTE: This Volume Move Rate Tender will not apply where charges accruing hereunder exceed charges otherwise applicable for the same service.**

(6) In addition to rates and charges, the IRT and the simplified tender format shall include:

(a) The percentage of the total volume move tonnage to which the rate is applicable.

(b) The amount of tonnage expressed in pounds per day that can be picked up and delivered. The amount of tonnage is subject to the minimum established in the solicitation letter.

(c) The name and address of Transportation Service Provider's agent at origin and destination.

(7) SDDC will evaluate all competitive rate offers received from Transportation Service Providers.

Acceptance of rates does not guarantee any offer of tonnage. If the Transportation Service Provider's rate is accepted, the Transportation Service Provider must confirm his facsimile rate with an IRT to SDDC within 10 days of the acceptance notice (Appendix 5E). The IRT must be prepared precisely as specified in Appendix 5D to these procedures. Deviations or differences between the IRT and the facsimile rate will cause the IRT to be rejected.

Item 503.

**ADDRESS FOR SUBMISSION**

a. Although no guarantee is expressed or implied, SDDC will make every effort to protect the confidentiality of rates submitted in response to a volume move solicitation prior to the deadline established.

(1) Domestic volume moves are processed by the Deputy Chief of Staff for Passenger and Personal Property, Domestic & International Rates Team:

Item 504.

**RECEIPT OF SUBMISSION**

SDDC will not be responsible for IRTs which do not arrive on time at the specified location. IRTs or rate tenders received after the close of the filing period will be rejected.

Item 505.

**RECEIPT OF FACSIMILE SUBMISSION**

Transportation Service Providers may fax one copy of the simplified tender format (Appendix 5B), or fax one copy of the volume move rate tender (Appendix 5C). A Transportation Service Provider may fax a rate prior to the specified deadline in each individual volume movement and, if accepted, within ten days of the acceptance notice, send in 5 copies of their IRTs.

Item 506.

**SUBMISSION OF RATES AND CHARGES**

The submission of voluntary IRTs is the only way to participate in the movement of DOD/USCG-sponsored volume movements within CONUS. Rates and charges offered in IRT submissions must be independently determined and expressed in the exact format of the Individual Tender of Rates and Charges for Volume Movements, which appears at Appendix 5D. Competitive rate tenders submitted in response to these filing procedures must be submitted by the exact deadline and under the exact terms, conditions, and procedures specified. This solicitation stands alone, is not influenced by prior practices or procedures, and will not be subject to modification prior or subsequent to the deadline and acceptance stipulated unless specifically modified by the Deputy Chief of Staff for Passenger and Personal Property, for the benefit of all parties by letter or telegram prior to the solicitation deadline.

Item 507.

**PREPARATION OF INDIVIDUAL RATE TENDERS**

**Five copies of the rate tender are required.** Each Transportation Service Provider is completely responsible for the proper preparation and submission of its IRTs, in accordance with the procedures prescribed herein. Submissions must be legibly typed in black ink. IRTs, as well as attachments and supplements thereto, will not be altered in any way. The use of correction tape, "white-out," "strike-over," or "pen and ink" is not permitted and is basis for rejection.

Item 508.

**TERMS AND CONDITIONS FOR INDIVIDUAL RATE TENDER SUBMISSION**

Transportation Service Providers wishing to participate in the movement of DOD/USCG-sponsored volume moves within CONUS will submit rates and charges only in the simplified format or IRTs as contained in these procedures. Transportation Service Providers in traffic denial during any portion of the volume move will not be

**DOMESTIC PERSONAL PROPERTY RATE SOLICITATION D-9**

considered. The rules and regulations contained in the volume move procedures provide all terms and conditions and will not be altered in any manner. These procedures will be retained by the participating Transportation Service Provider. SDDC reserves the right to reject any or all offers and to waive minor irregularities in offers received, i.e., rejection of rate submissions in extreme excess of those offered to other customers or acceptance of tenders with minor typographical errors.

Item 509.

**EFFECTIVE PERIOD FOR ACCEPTED TENDERS**

a. Transportation Service Providers may issue supplements to cancel existing IRT submissions. The following procedures apply:

- (1) Cancellation will be accomplished only by a submission of a supplement to the original IRT.
- (2) Transportation Service Providers may submit a cancellation supplement at any time on or after the effective date of the original IRT.
- (3) Any correct cancellation supplement will be assigned an effective date that is 30 days after receipt of the supplement at SDDC.
- (4) The detailed format and instructions for preparing cancellation supplements must be followed exactly (Appendix 5F). A sample cancellation IRT is at Appendix 5G.

ITEM 510.

**RESERVED FOR FUTURE USE**

Item 511.

**CAUSE FOR SUSPENSION ACTION**

a. Any rate proposal which misrepresents a material fact shall be grounds for the suspension of the Transportation Service Provider from future DOD/USCG personal property shipments. Additionally, if there is lack of appropriate operating authority, such incident shall be subject to referral to the appropriate Government agency for inquiry. The provisions of this rate solicitation and the Tender of Service shall apply equally to DOD-sponsored shipments, whether moving individually or as volume moves.

b. Transportation Service Provider performance will be monitored by both the origin and destination installation transportation officers and will be subsequently reported to SDDC. Transportation Service Providers understand that the personal property transportation office may give consideration to TQAP scores in selecting Transportation Service Provider(s) under this solicitation.

c. If suspension action is taken, it will apply to all domestic shipments; however, when a participating Transportation Service Provider's overall performance clearly indicates an unwillingness to comply with the standards of service specified in the Tender of Service, disqualification action will be considered. If disqualification is imposed by SDDC, disqualification will apply to all domestic shipments originating at the origin installation. Questions concerning disqualification of a Transportation Service Provider may be referred to the Deputy Chief of Staff for Passenger & Personal Property, Transportation Service Provider Qualifications & Performance Team, at (703) 428-3279.

**DOMESTIC PERSONAL PROPERTY RATE SOLICITATION D-9**Item 512. **CORRECTION TO VOLUME MOVEMENT INDIVIDUAL RATE TENDERS**

Corrections or changes to uniform tenders subsequent to the specified deadline will not be permitted. The Deputy Chief of Staff for Passenger & Personal Property will not be responsible for late or misdirected uniform tenders which do not arrive at the point specified when caused by any party or parties not assigned to the Personal Property Division. The Deputy Chief of Staff for Passenger & Personal Property reserves the right to reject any or all offers, to waive informalities and minor irregularities in offers received, to negotiate or accept offers without discussion of rates, and to nonuse any rate and/or to resolicit rates as required prior to or during the effective dates of the volume movement.

Item 513. **ACCEPTANCE/REJECTION OF INDIVIDUAL RATE TENDER SUBMISSION**

a. **General:** Each IRT submission received by SDDC will be reviewed for technical and administrative accuracy prior to acceptance, distribution, and use or rejection. Transportation Service Providers must use the utmost care in tender preparation, since errors will cause rejections.

b. **Notification of Acceptance or Rejection:** Each Transportation Service Provider whose facsimile format or IRT is accepted will be notified by an acceptance notice (Appendix 5F). The Transportation Service Provider will then submit five copies of the IRT. All accepted IRTs submitted in response to the volume movement solicitation letter will be available in the SDDC Personal Property Division public files following their acceptance. The controlling transportation officer will be furnished a copy of the accepted tenders. Inquiries about this solicitation relative to Transportation Service Provider ranking and participation should be satisfied by reference to SDDC Personal Property Division public file. However, each Transportation Service Provider tendering rates will be furnished with information relative to the acceptance or rejection of its tender.

c. **Rejections:** Any tender submission which contains an error will be rejected and returned to the Transportation Service Provider with an accompanying SDDC rejection notice indicating the basis for rejection.

Item 514. **VOLUME MOVEMENT RATES - PUBLIC FILE**

All accepted IRTs are available for review at SDDC in the Personal Property Division public file, Room 10N35, Hoffman II, 200 Stovall Street, Alexandria, Virginia. SDDC will neither make nor provide copies of any IRTs. Transportation Service Providers may visit the public file personally, or employ "Watch Services" available for Transportation Service Providers desiring to obtain copies of documents. The name of organizations and/or individuals providing "Watch Services" may be obtained through Transportation Service Providers' associations, bureaus, or conferences.

Personal Property Division

TO ALL DEPARTMENT OF DEFENSE (DOD)-APPROVED HOUSEHOLD GOODS TRANSPORTATION SERVICE PROVIDERS AUTHORIZED TO SERVICE VOLUME MOVEMENTS

Ladies and Gentlemen:

This Volume Move Solicitation letter announces the following interstate volume movement in accordance with Chapter V of the Military Surface Deployment and Distribution Command Domestic Personal Property Rate Solicitation D-9. Unless stated otherwise, the provisions of the rate solicitation, and reissues thereof, apply. The attachment is the request for volume movement.

The following information is provided:

The alternation clause applies in all volume moves, i.e., the acceptance of a volume move tender does not negate the provision, where two rates (volume move rate and the Transportation Service Provider's current rate) are applicable, the Government is entitled to the lesser of the two rates in all cases. Be advised that when offering shipments, the personal property shipping offices will consolidate shipments whenever practical.

In accordance with Item 502, the rate shall be expressed as a percentage 'of' the Military Surface Deployment and Distribution Command Domestic Personal Property Rate Solicitation. For example, if a Transportation Service Provider wishes to offer a 10 percent reduction, the rate submitted would be 90 percent. The percentage is to reflect reduction in line haul, packing, accessorial services, and any other services relevant to shipments of this volume movement, excluding full replacement protection, pickup or delivery transportation rates applying on SIT shipments at destination, any accessorial services performed in connection with destination SIT, and third party services.

Competitive volume move tenders will be received from qualified Department of Defense (DOD)-approved Transportation Service Providers and forwarders. Volume movement traffic will be awarded to those low rate responsible Transportation Service Providers and forwarders whose tenders are responsive, most advantageous to the Government, and have the ability to comply with required delivery and performance schedules associated with this volume move. Transportation Service Providers in traffic denial during any portion of the volume move will not be considered.

Transportation Service Providers are required to handle a minimum amount of tonnage expressed in pounds per day for each volume move. The minimum amount of tonnage for these volume moves is 40,000 pounds per Transportation Service Provider, per day, per channel. Volume move tenders showing less than this minimum will be rejected.

**DOMESTIC PERSONAL PROPERTY RATE SOLICITATION D-9**

Please submit your bids to Military Surface Deployment and Distribution Command, ATTN: SDPP-PO, Room 10N67, 200 Stovall Street, Alexandria, VA 22332. Questions concerning this announcement may be referred to SDPP-PO, (703) 428-3281.

Sincerely,
